PRESIDENTS MEET.

D. BURGESS.

TAN-Y-WYDDFA.

With the firm assurance of good weather it is hoped for a good attendance on this meet. Last year saw the epic of Phantom B and a Sunday spent rescuing Colledges' and Radcliffes' cars from the lost village - the route was estimated to cost 3/- per foot. This year I hope to climb on Gogarth on the Saturday, a crag well worth visiting and hope to follow with a party on the Sat. evening. Please bring 'booze' for what should be a swinging 'do'. Sunday can well be spent on a mass Oread traverse of Snowdon-again!. Contact me at the Wilmot for hut bookings and lifts.

JAN. 23/24.

HEATHY LEA.

An informal weekend, no specified programme it will be a case of doing what the weather permits.

JAN. 30/31.

DERBYSHIRE WALK.

DIGGER WILLIAMS.

The walk will start from Ilam on Sat. 30th Jan. at 10.00am. and will proceed up the Manifold valley to Thor's Cave, then following the footpath via Welton & Alstonefield where we can stop off for refreshments, we shall then drop down into Wolfscote Dale at Iron Torrs and follow the dale towards Hartington.

Continuing up the Dove Valley to Pilsbury.

The Orpheus Caving Hut has been booked for Saturday night (approx. 30 beds) Map ref. OS.14.60;62.80.

Sunday a leisurely return route down the Tissington Trail to South of Coldeaton to drop into the Dale at Iron Torrs, and via Milldale & Dovedale back to Ilam. Although on familiar ground perhaps with snow

down should be an interesting scenic route and with easy parking at Ilam. I'm hoping for a good turn out and it will be a good start for the year and to work off some of the xmas stodge. See me at the Wilmot for lifts etc.
