

OREAD MOUNTAINEERING CLUB
MEETS CIRCULAR JAN/FEB'72

JAN 8/9

PRESIDENT'S MEET.

PAUL GARDINER.

As a change from Tan-y-Wyddfa the venue for this meet is Heathy Lea. This will give those members who find it difficult to leave their families for a full weekend a chance to pop in at the Barn on Saturday night to partake of the fun, food & festivities. Members who wish to make a weekend of it should see Paul about a bed space or alternatively if you're not one of the lucky ones there's camping at Ben's.

JAN 21/23

PATTERDALE.

DON COWAN.

Water level permitting the camp site will, as usual, be in Tony Brown's field. For the benefit of members not knowing Tony Brown the official location is Deepdale Hall Farm, O.S. REF 398143. The surrounding area has much to offer, particularly at this time of year; Fairfield and its neighbours provide a number of interesting gullies, if snow conditions are right (and probably even more interesting if they are not). There's also plenty of scope for the rock man on the crags of Hutaple Scrubby and Dove Crag. If it's walking you want then there's plenty of room for that on the Eastern Fells.

So ~~much~~ of course depends on the weather, but past experience has shown that you can't go wrong if you bring your wellies!

P.S. Permission has been obtained for Fred Allen's caravan.

FEB 1

INDOOR MEET ROYAL OAK OCKBROOK

8.00 p.m.

Tonight we are hoping that Doug. Scott will come and talk about his exploits on Baffin Island. I say Hoping, because since Doug. first agreed to come, he has been invited to join the forthcoming Everest expedition, which has seriously upset his already tight schedule of engagements. So just in case he doesn't make it will you please bring along some slides and we'll turn it into a member's evening.

FEB 4/6

OGWEN VALLEY

DAVE GUYLER

Those campers who had to brave the foul weather of our last visit to Ogwen, will be pleased to hear that this is a joint meet with the M.A.M. at Glan Dena. I hope Oreads will turn out in force to show the M.A.M. that there are no hard feelings for their lack of support in the recent joint venture at Tan-Y-Wyddfa.

Glan Dena is ideally situated for a meet at this time of the year, being in the midst of a magnificent walking area. What better, than a good day's thrashing over the Carnedd's, or over Tryfan and the Glyders. Alternatively, if there is snow down, the area abounds in countless gullies and ridges.

Due to the limited accommodation, those going must give their names to the meet leader before January 22nd.

TEAM ALPHA There is a meeting of team Alpha at the Black Horse Inn, on Wednesday the 12th January at 8.00 p.m. Refreshments are available.

FORSALE Ski Boots size 8. price £3. See Dave Weston, 6, Devas Gardens, Spondon.
